

450 Moselle Street,
Buffalo, N.Y., Aug. 29th, 1943.

Dear Sir:

After having the very best season here financially in the history of semi-pro base ball here at Offermann Stadium, home of the Buffalo International League Base Ball Club, and also at Hyde Park Stadium in Niagara Falls, N.Y., as well as at Scott Park in Hamilton, Ont., I am about to close the 1943 base ball season with a "bang" on Monday, Labor Day, Sept. 6th, 1943, with afternoon and night games at Offermann Stadium in Buffalo on that day and then at Hyde Park Stadium in Niagara Falls, N.Y., and Scott Park in Hamilton, Ont., on Tuesday and Wed. nights, Sept. 7th and 8th, 1943.

I want the best possible colored attraction that I can get for these three dates. What have you got to offer for those three dates? I am willing to take an extra good attraction on Labor Day for two gates at Offermann Stadium in Buffalo, and another attraction for the other two dates, if I cannot get the same attraction for all three dates.

Enclosed please find a dozen or more passes, from former games, which gives you an idea of about what attractions we had here this season.

If you or any of the clubs that you book for shall be interested in these dates, please wire or phone me immediately.

Very Truly Yours,

Ray J. Fischer
